WHY CHOOSE KNEBWORTH HOUSE, GARDENS & PARK

The romantic exterior of Knebworth House with its turrets, domes and gargoyles silhouetted against the sky provides an inspirational setting for filming.

Add to that an interior that represents fine examples of different eras, extensive gardens, parkland, lakes, woodland, lakes, cottages and farms. Knebworth has a location for everyone's favourite story.

We pride ourselves on being especially film friendly, and have a great history of working with film and television crews for over 50 years.

We have been used in a wide range of productions from major movies to TV films, commercials, music videos and stills shoots.
